## eMobile

Our secure mobile solution is designed to let you access your money wherever life takes you. Our Boiling Springs Savings Bank Mobile App allows you to do even more when you are on the go. From transferring funds, depositing checks and paying bills, eMobile is like having a bank in your pocket.

## Popmoney

With our Popmoney service, you can send money to nearly anyone with an email address or mobile number, even if they are not a Boiling Springs customer. It's the simple, convenient and secure way to send, request and receive money. With Popmoney, you can send and receive payments or make charitable donations, without having to use cash or checks. Popmoney enables you to send money directly to anyone, regardless of where the other person banks, as long as they have a bank account and email or mobile number.

- *Send money securely*
- *Request money easily from a person or a group*
- *Set up recurring payments*

To get started, just log in to your eBanking account and find Popmoney in the **\$Pay My Bills** Tab or create a Popmoney profile at [www.popmoney.com](http://www.popmoney.com) or via a Popmoney mobile app.

**Now, that's Better Banking!**

## Enjoy all the features that eBillPay has to offer:

When you combine eBillPay with your eBanking or eMobile account, we are confident that you'll never go back to writing checks for your bills again! eBillPay is one of the most convenient and easy methods to pay your bills. Just a few clicks and your bills are paid.

- *Pay your bills online from your checking account*
- *Save time by not writing checks, addressing envelopes and searching for stamps*
- *Save money on postage and check orders*
- *Set up current, future or recurring payments such as your mortgage, auto payment or utility bills*
- *View payment history – review payments over a specified time period*
- *Generate reports based on bill payment history*
